

## **January 16<sup>th</sup> 2011 – 7 Levels of Church: Healing**

### **Introduction:**

At Church Alive, healing already has its place. Visitors have also prophesied that healing will be a key part of what we see, in and through this place. God wants to release more to us!

### **Our Foundations for Healing:**

#### **For Ourselves**

Mark 5:25-34 – God not only brought about the physical healing to the women with the issue of blood. Emotional and spiritual transformation took place. “Sozo”.

1. Jesus has already paid the price for our healing – Isaiah 53:4-5, 1 Peter 2:24 – Physical, Emotional and Spiritual.
2. There is so much more that we are entitled to that we are not experiencing yet. This includes healing. This is not supposed to be discouraging, it is to encourage you to press in for the more.
3. God is the giver. However the responsibility for bringing down blessing and healing lies more on our shoulders. Heaven does not have a problem releasing things, it is whether earth is in a place to receive it.

#### **For the Lost:**

1. It is so the heart of God to see healing released in this world
2. We have been commanded to it. Heal the sick.

3. It is supposed to be a sign and a wonder to the lost. A sign that points them in the direction of the King. We see it in the book of Acts where a healing results in thousands turning to God (Acts 3).

### **Conclusion**

Sometimes this can be an area where we have a lot of questions. The challenge is basing our beliefs on the Word of God rather than our own experience. We may not understand some things currently and we may live in conflict in this area. We need to choose to believe it is God’s desire to heal.

He is looking to lift disappointment and looking for us to have boldness and courage to see more of it happen.
